specifications :

housing

14 gauge (2mm) formed aluminium sheet metal. Textured black polyester powder coat.

reflector

24 gauge (0.55mm) formed aluminium sheet metal. Polished specular finish.

ballast

(1) x 2-Lamp 55 watt electronic. 110 lamp watts. 230VAC/50Hz. Power factor : >0.97 Class A sound rating.

lamp

(2) x 55W/2G11/4 pin. 3000K ,3200K and 5600K 10,000 hours rated lamp life.

Lamp socket

2G11 4-pin Moulded white high-strength Thermoplastic Push-wire connectors 18 gauge (1.2mm) leads.

mounting

6x50mm extruded aluminium yoke with 28mm dia spud.

power entry

(incorporated on head)

includes:

on/off switch
Fuse holder
Onboard spare fuse
IEC connector

Power cord:

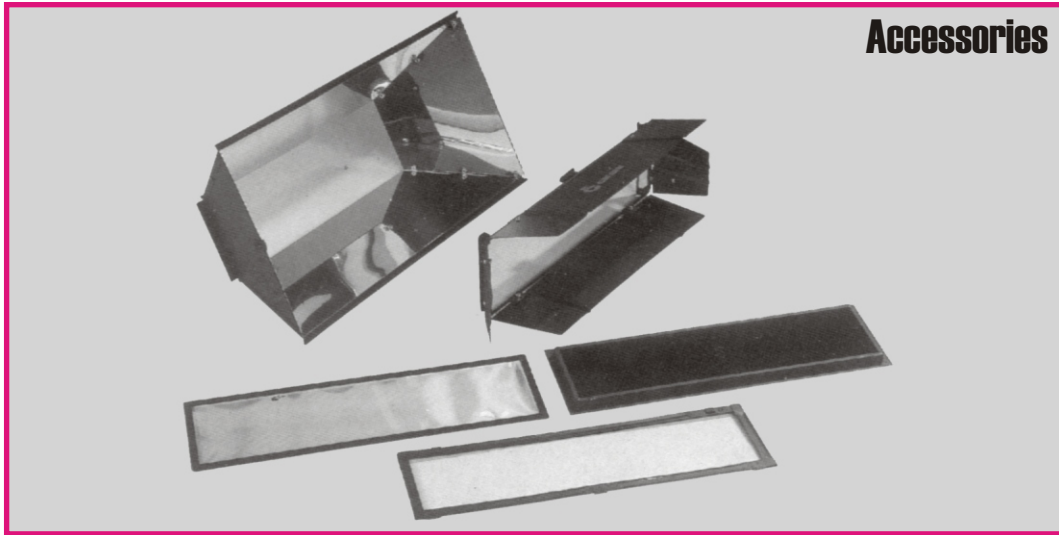

17ft (5m) long 3Cx1.5mm ²2Cu. PVC insulated flexible cable. 5/15 amp 3 pin plug.

dimming

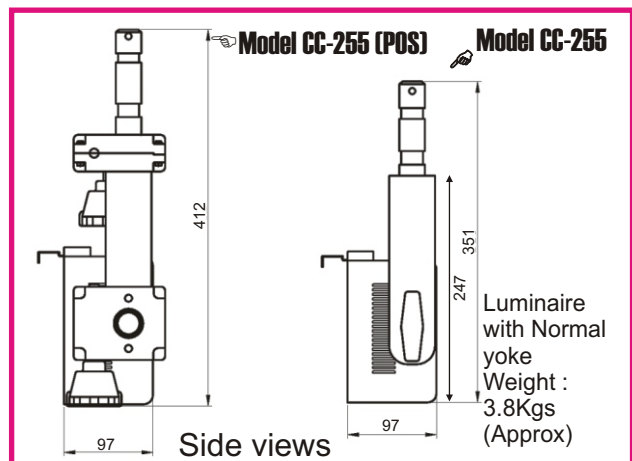

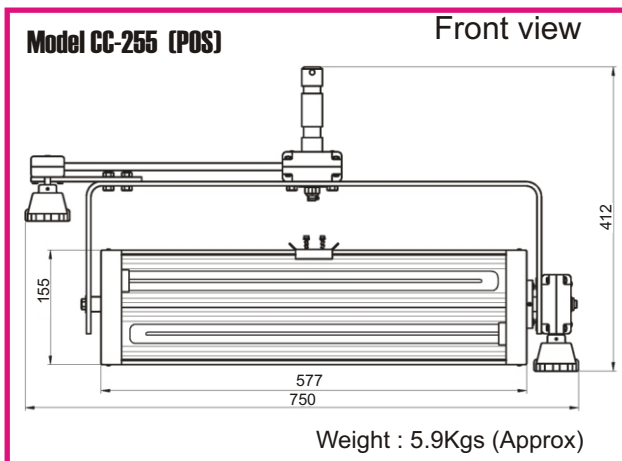

0-10VDC analogue & manual
Optional
DMX control and Phase control

finish

Textured black polyester powder coat.

Accessories

Product innovation is a continuous process hence data & design given are subject to change without notice

Accessory Options
